

WEEKLY NEWS ~~ EXTRA EDITION ~~ MARCH 8, 2022

Custodian Vacancy

The church custodian job is vacant. Before we post a job announcement, we wanted to give church members an opportunity to seek this job. It's 20-25 hours per week \$15/hr. If you would like to see a position description, please contact the office.

Until we can hire a replacement, we're asking members to volunteer. The Whitwers are taking the week of the 7th, the Dentons are taking the 14th. We need at least two people for subsequent weeks - please contact the office at 541-267-2347.

Please join us on Zoom for the Baptism of Kelsey Kathryn Johnson! The Celebration of Baptism is being held Friday, March 11, at 11 am. Here is the Zoom link:

We will be using the same link for all worship services from now on. It is the one we traditionally use for Sunday morning worship. There was confusion on Wednesday which link to use, so Worship and Music decided to just have one link for Worship. Here it is:

WE NEED OLD TOWELS! We have a leak to clean up, and could use some old towels to soak water out of carpet. If you have some old towels you don't want back, please bring them to the church! Thank you!

With much sadness, we share the news of Bob Breitreutz's death. He spent his last weeks at home, surrounded by his family.

Plans for a family-only funeral service are in process, knowing that the community, near and far, carries us in our grief. A reception at the Edgewater Inn on Wednesday, March 9th from 1 to 3 pm is being hosted by the family. All are welcome to attend.

Trusting in the promises of baptism and the hope of resurrection, we know that death does not have the last word. In life and in death, God is God. "The Lord is my shepherd, I shall not want." Psalm 23:1

In Christ's Peace,

Pastor Alyssa

Gloria Dei Lutheran Church will be holding a Special Congregational Meeting after Church on Sunday, March 13, at 11:30 am via Zoom for the purpose of voting on a motion to enter a Memorandum of Understanding with the Northwestern Housing Alternatives (NHA), a non-profit company that builds affordable housing with government funding and then manages the properties and provides services for those tenants with special needs.
