TECHINICAL SUPPORT REQUEST

We continue to work on improving the technical quality of our services. Are you having problems hearing or understanding any parts of our Sunday services? If so, please contact me directly and let me know as much specific information as possible about what you are experiencing. Is it only part of the service? Which parts? Is it an individual or a specific location in the sanctuary? Are you online or in person? If in person, where do you normally sit? Thanks!
